December 2024 Newsletter

Time-Out with Pastor Rob

Redemption is the act of being compensated for the fault of something. As we move into the month of December, we celebrate and honor the One who has the power to redeem. Sin is a decision that man cannot come back from without help. The help we need is redemption. This help has been extended to all man. I pray the power of the Holy Spirit moves in the hearts of men and women as the story of Christmas is told.
