## Time-Out with Pastor Rob

This year, we have the opportunity to celebrate 250 years as a nation. We can be deeply grateful for our Founding Fathers, who drew upon biblical principles as they established a nation founded on freedom and liberty. Yet, our gratitude extends beyond them, for we recognize that God is the ultimate source of our nation's blessings. Like every nation, we have not always been perfect. Even so, we continue striving to remain aligned with God's principles, seeking His guidance so that His hand of blessing may continue to rest upon us as a people.

## This Month in Church History

### July 1, 1934

Two of Yin Renxian's children, recently converted to Christianity through his witness, are blown up by a bomb while traveling on a train. At their funeral, Yin will speak to the assembled Chinese about the power of Christ to save from sin. He and his wife Suyun, after years of tepid Christianity, had recently devoted themselves wholeheartedly to Christ with the result that a house church has formed around them. Yin will eventually become a Christian educator until the Communists shut down his activities
