Time-Out with Pastor Rob

With each passing season, we can look outside and see the beautiful changes in which God graces us with. The seasonal changes are a reminder of His presence and His authority over all things, including the environment. The question is, are we allowing God to change us internally so that His beauty can be seen not only in creation but in our own lives? We gaze at the changing colors of the leaves and think how amazing God is. Can someone look upon your life and have that same thought? It is a great challenge for each us of us this month.
