October 2026 Newsletter

Time-Out with Pastor Rob

October is traditionally known as a season of harvest—a time when crops are gathered and stored in preparation for the winter months ahead. In the same way, it is my hope that you are experiencing a spiritual harvest in your own life. As you reflect on the past year, ask yourself: Have I grown in my knowledge and understanding of Scripture? Has Christ become Lord over every area of my life? Have I faithfully planted seeds that will produce spiritual fruit in the lives of others? If so, take encouragement in knowing that God has been at work, growing your faith while using your obedience to sow seeds along the way. Yet, spiritually speaking, much like the work of a farmer, our work is never truly finished. May we remain faithful through every season, continuing to sow, grow, and persevere until the very end.
