Time-Out with Pastor Rob

As the alarm clock goes off each morning, we each have a choice of how we will approach the day. Our attitudes dictate the types of days we will experience. Do we go to work for the approval of men? Or, do we work with a spirit of service to God which leaves us completely content and fulfilled? God has blessed each of you with God-given gifts that are to be used for the benefit of others. You are distinct in your ability and skill. But, it is your attitude which brings peace and joy in your life.
